

## Mp3 Badmagick - Never Broken

[DOWNLOAD HERE](#)

their sound has been compared to bands like staine, days of the new and alice in chains by people all around the world from california to germany. "never broken" is the debut release by the popular new england band badmagick. 5 MP3 Songs ROCK: Acoustic, ROCK: Modern Rock Details: \* this cd includes 4 listed tracks, 1 hidden track and an interactive music video and pictures. badmagick was formed in october of 2003 by michelle smith, tim presz and brian markelonis. chris perry joined the band, in november 2003, after reading about an audition for a vocalist in a local entertainment magazine and hearing an on air discussion, about badmagick, on a popular morning radio show. badmagick performed live shows into may of 2004, until the band lost their drummer michelle on the morning of may 4th, that same year. at that point the band took a break from live shows and recorded a cd and video, of original material, as a tribute to their friend. after the time off, john (a friend of the band and drummer of the ac/dc tribute back in black), offered to drum for badmagick on a full time basis. badmagick is currently performing the east coast and new england areas. \*\*all profits from the sales of this cd are being deposited into an account until enough money has been raised to set up a college scholarship in the name of michelle smith. thanks for your support.
