Details: Deborah Abrams is a sensual and confident Jazz singer, whose voice enters your ears and targets your soul. On her new release, WARM BREEZE she takes her audience by storm and stands out as a Jazz and Blues dynamo. She can belt out a tune halfway to the moon, or whisper so low you nearly fall off your chair to catch every heavenly note. This new CD release teams Deborah with collaborating songwriter, Wolfgang Grasekamp, who together found success on Deborah's first CD. The overall enthusiasm and compliments from fans has Deborah busily working on new material and planning her third CD. The trend continues with an eclectic set of energetic performances, featuring a wide range of material and styles, from fresh interpretations of timeless standards to the cutting edge originality of new tracks like 'Journey With You' and 'Unmistakable You', both cowritten by Deborah and Wolfgang. Be sure to catch Deborah Abrams' live, and experience one of San Diego's premier song stylists. She also appears as a guest artist with several well-known bands around town, including venues in the Gaslamp quarter, downtown. But for now, find a comfortable place to enjoy Deborah's gentle melodies and dynamic, swinging energy as she serenades your ears and touches your heart. Her heartfelt thanks to all her friends, fans and musicians for their kindness and support that help to fuel her creative energy.
