Kirtan Electronica 12 MP3 Songs WORLD: World Fusion, ELECTRONIC: Down Tempo Details: Reaching out to the dance and chillout scene, Devi 2000 is thrilled to release 'Prepare Your Soul To Dance', a full-length electronica/remix CD of tracks from the debut album 'Devotional'. Remixers heavily represent the Chicago spiritual massive, including Preston Klik, Radiohiro, Josh Brill, Jesse Hozeny, Kenny Dread, The Alchemist, and Truth Serum. Remixer Preston Klik sums up the vibe perfectly: "...a great masala of ancient and modern, acoustic and electric ...bringing traditional styles of ritual/chant into our new 21st century world informs us of a timeless quality, but also infuses them with a sense of metamorphoses, a 'growing toward'."
