"'When I was asked if I would think about writing and singing for children, I saw the request as an inviting, sparkling doorway. If I walked through it, I would step into a new world' That's from the liner notes of Enid Ames' new CD and, in fact, listening to 'Your Golden Heart' is like walking through a doorway and into a safe and soothing place...The album is accompanied by abundant liner notes, in the form of a small booklet of Ames family photos, lyrics (so parents and kids can sing along) and brief commentary on some of the songs. It's a great companion piece to the music, and provides a kind of backstory for the whole collection that will be appealing to young and old listeners." Jane Eklund, The Monadnock Ledger
