"Raw Yang"s delight is in its utter joyousness. Pieces of pop-punk, garage rock and eighties-indie make their way into the songs with an undeniably cutesy, nicely homesick effect. -- Tom Lynch, NewCity Chicago 12 MP3 Songs POP: Power Pop, POP: New Wave Details: Nick Ammerman and Sarah Johnson (on guitar and bass respectively) write raw and catchy pop songs, with alternating boy/girl vocals. Drummer Ben Bilow provides a pulsing backbeat that ties together the three-pieces hook-laden melodies. With a sound that references new wave, garage rock, and pure pop, the Fake Fictions bring a fun and nostalgic sound; the perfect soundtrack for the last day of school or dry humping in your parents basement.
