A Collection of Singles, B-Sides, Rarities. For The Ghost Peep Lover In Your House. 17 MP3 Songs
POP: Quirky, POP: Beatles-pop Details: Finally, all those stray Ghost Peep tracks compiled together on one attractive disc. If you're a pre-established fan of Ghost Peeps, then these are the songs you'll probably know. Early recordings (Audium, Bunnies), Singles (Cats In Jeeps), Unreleased Tracks (Invincible Vince), Songs For Films (Chimp's Vacation, Dance of Death) and all the original songs written for our friends fans on Myspace (Myspace Addict, Something To Dance To), etc. Many of these songs are quite good and our most popular tunes. Listen for yourself. (The 1st two Tracks are not indicative of the rest of the album's recording quality, just so you know) "Now Using Only Western Tonality" comes in an attractive paper sleeve complete with Ghost Peep artwork, track info, and more fun stuff!
