Jesse's rapid fire delivery will keep you rolling; he makes fun of the dysfunction in his life, to make you feel better about yours. 15 MP3 Songs SPOKEN WORD: Comedy Details: Comedian Jesse Cash grew up in Orange County, California (thats right the OC) a place just dying to be made fun of. That and some loving encouragement from his family (in the form of taunting and humiliation) and his path as a comedian was set. In his trademark fast-paced style, hell take you on a tour of the worlds oddities and the incredible dysfunction of his own life, in the hopes that youll feel better about yours. Jesse has performed at venues all over the country. He is an alumnus of the nationally know ComedySportz Improv Troupe. He has studied Shakespearean Performance with members of the Royal Shakespeare Company and the Royal National Theater, and he has performed in a ridiculous number of theatrical productions. And while many comedians can claim Emmy nominations and hit television shows, Jesse is one of the few who can claim to have been featured on Masked Rider (a show about a boy who turns in to a cockroach to fight crime). Doesnt get much more prestigious than that!!!! Reviews: "He was a scream. My friends and I couldn't stop laughing. What a way to celebrate a birthday!" --Toni Hamm, Brea Improv Guest "Jesse was really funny. My wife and I loved him." -John Sanguenetti, Guest at The Ice House, Pasadena, CA "Funniest show we've seen here in years!" --Guest at Wit's End Comedy Club, Westminster, CO "Our residents and guests really enjoyed Jesse's performance." --Robert J. Wootton, Director Of Marketing, Episcopal Homes Corporation
