Original Electronic Music: Robotic melodic creative 100 original underground production from Chicago. 10 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: Techno Details: This album depicts how I feel, when riding and enjoying Achterbahns. [Roller Coasters] I wanted to create some soundscapes that generate excitement and positive energetic emotion, while maintaining my usual original style of melodic mind-dance music. The album also lends to evolution in my style and shows direction toward the future of my music.
