## **DOWNLOAD HERE**

Beautiful Piano stylings of some of your favorite Christmas Music. The tunes may be the same, but the arrangements are all original. There are several original compositions as well. Celebrate the season with "His Name is Jesus" 10 MP3 Songs EASY LISTENING: Mood Music, CLASSICAL: Contemporary Details: This is the music of Christmas. The song and title of this project, "His Name is Jesus," composed and performed by Linda will remind you of the true meaning of Christmas. The words of this song tell the story of why we celebrate Christmas. And the refrain of this song is one that you will enjoy singing when you Are traveling in your car or at home. It is also a wonderful chorus for children to sing. Today, there are many different arrangements even of the traditional Christmas music. Almost every artist has at least one Christmas project. "His Name is Jesus" is different in that most of it is instrumental, piano music with some vocal. Additionally, the arrangements, which Linda has Composed for this project sometimes combine two or more related carols into one arrangement. Each arrangement is unique in its sound. You will hear different rhythms and styles, yet each tune is recognizable to the listener. The opening cut "Christmas Joy" an original composition by Linda Is very upbeat and exciting, as to set the mood for an upcoming Event. In this case of course the celebration of Christmas. If you enjoy the sound of the piano, played from the lowest key to the highest key, you will definitely want this music. And the glissandos in "I Saw Three Ships" and "Christmas Medley" enhance these arrangements. From the most peaceful sounds of "The first Noel", "O Come All Ye Faithful" and "Silent Night", to the music of "Joy to the World" as used in "Christmas Medley" you will enjoy delightful renditions of Christmas Music. Looking for a CD for your Christmas family gathering, to play in your office, in your car, as background music for your church or school play, or devotions or just for your listening pleasure, this is the music!
