(Vancouver Province) -Fraser Black -- "The Vancouver hiphop community is stepping up and showing its (Westender) true colors" The "Mad Love" compilation has a dual cause attached to it, firstly to expose the talent that is coming out of the streets of Vancouver(Vancity) to the World. Secondly, "Mad Love" is an acronym for "Making a difference living on Vancouver's eastside" which means all net proceeds from the sale of the compilation will benefit the Sheway Project. The Sheway Project is a drop-in shelter in the downtown eastside of Vancouver, for pregnant women with alcohol and drug dependencies who come in off the streets for assistance.
