

Mp3 Magnetic Mountain - Cake-o Magnetics

[DOWNLOAD HERE](#)

A printed circuit-board folded into origami. Spacey home-grown electronica for those who need some tension to relax. 6 MP3 Songs in this album (25:21) ! Related styles: ELECTRONIC: Ambient, ELECTRONIC: Dub People who are interested in Tangerine Dream John Carpenter Fripp Eno should consider this download. Details: Magnetic Mountain has scientifically proven the effectiveness high-water pants. And just in time people, for the filth levels are rising at an alarming rate. But validating nerdware is merely a side effect of the real scientific developments being carried out by the mysterious King Nitronic and Cake-o Magnetic. Using sonic inventions, these two outer-space exploring birdmen aspire to give the world a much-needed scaffolding. Cake-o Magnetics is a 25-minute-long listening experience unlike any other electronic music available. Guests include Phil Chen (Jeff Beck, Rod Stewart, Riders on the Storm), mix treatments by Nolan Cook (Residents).
