

Mp3 Mark Linden O'meara - I Think I Need Therapy

[DOWNLOAD HERE](#)

A great collection of parodies. Guaranteed to make you laugh. Mark is a great comedian and has a great slant on life. 5 MP3 Songs POP: Quirky, ROCK: Modern Rock Details: Humour is important to Mark Linden O'Meara. Have a listen to these tunes and you'll start to understand his mind - a scary prospect! All kidding aside, Mark is a teacher, stand up comedian and author. He has written two books so far, Here I Am, and The Feeling Soul - A Roadmap to Healing and Living. Enjoy the student loan song, his crazy christmas medley, or Mark's take on My-Degeneration! As for the funny Chinese, if you speak mandarin, its really funny...and if you dont speak mandarin, its still really funny... you just wont get it! Visit Mark's website at [healingresources](#) or look for his acclaimed self help book The Feeling Soul - A Roadmap to Healing and Living at Amazon or your local bookstore!
