Drawing on influences from Kansas City, West Coast and Chicago Blues to Memphis Stax Soul, Mighty Lester keeps your hands clappin, your toes tappin, and your butt shakin all night long.

Formed in 2000 as a trio, they quickly expanded to a seven-piece with harmonica and two saxes. After their first club gig, the core of the band decided to kick it up a notch. Hitting the stage in September 2001 for their first live gig with the new lineup they were crowned the champions of the Triangle Blues Society 2001 Blues Competition and made the semi-final round in the 2002 International Blues Challenge. Having spent a few years perfecting their craft and finding just the right mix of people, they were proud to be crowned the champs at the 2005 Piedmont Blues Preservation Society Blues Challenge. They are had a phemoninal showing in Memphis for the 2006 International Blues Challenge with numerour radio requests, gigs and tour offers and even a sit down with a major label executive.
