Original pop/ballad songs some of which have an introspective flare. 10 MP3 Songs POP: 90's Pop, FOLK: Modern Folk Details: Mike Heile is a family practice physician and musician from Cincinnati Ohio who also has juvenile onset diabetes. Local articles in the Western Hills, Delhi, and Price Hill Presses announced his recent CD release and his personal story. He wrote, arranged, performed, and mixed all 10 original songs on his personal computer. His goal was to independently create and distribute quality music without involving a record label or distributing agent. Most songs are multi-track, pop/ballad genre, and have very catchy melodies. All songs were written with and are driven by acoustic guitar and are accompanied by a variety of other instruments, vocals, and vocal harmonies performed by Heile himself. Song #4 is about dealing with chronic illness and other difficult situations. The lyrics of this song were co-written by Nicole Johnson (former Miss America 1999) Most songs have an introspective flare.
