

## Mp3 Ongo - Aqui No Pasa Nada

[DOWNLOAD HERE](#)

Experimental, alternative hard rock like Tool, King Crimson, in Spanish. 11 MP3 Songs LATIN: Rock en Espanol, ROCK: Progressive Rock Details: The first album of one of Puerto Rico's premier Rock bands. Pure Rock n Roll to pump you up and even make you travel to a new and intensive fantasy island. Don't let the fact that this is recorded solely in Spanish cause you to hesitate at all. There's not a word of English to be found, though there is talk about redoing some or all of the songs in an English version as well. This bunch has the same vision, power and commitment to intense progressive metal as Dreamtheater and Pain of Salvation. After all, do many of you know any of the lyrics of either of these other two great bands? Anyone that is, with a life? Ongo is a to-the-wall metal group with great songs and world class players. Ruly Kuan, bassist for the band, is right up there in the mix, with some lines that would make John Myung smile. If you like where progressive metal is headed these days, you will like Ongo. - Warren Alex Murchie Bass Inside Magazine, Switzerland. ONGO is: JERRY - VOCALS RULY - BASS GABY - GUITAR ABNER - KEYS JOSE - DRUMS info: P.O. Box 79009 Carolina, P.R. 00984-9009 ongolandia.com e-mail: ongoband@gmail.com BOOKING:(787) 550-9699
