

Mp3 Pete 'big Dog' Fetters - Deep

[DOWNLOAD HERE](#)

You could call this 'the naked blues'.... very little production, just stripped down good songs, good playing and lots of exposed emotion. 11 MP3 Songs BLUES: Acoustic Blues, BLUES: Guitar Blues Details: Years before Pete 'Big Dog' Fetters began fronting his band he performed an acoustic solo show. His latest recording, on his own label, Two Sisters Records, is a return to that sound. The CD, entitled "DEEP", contains 11 songs, ten originals and a cover of Stephen Fosters 'Oh Suzanna'. The songs were recorded at the world famous Tempermill Studio in Ferndale Michigan featuring vocals, slide guitar, stomp board and racked harmonica (on two songs) by Pete. You could call this 'the naked blues'.... very little production, just stripped down good songs, good playing and lots of exposed emotion.
