English Folk 10 MP3 Songs FOLK: Traditional Folk, FOLK: Gentle Details: Philip John Brooks is a professional singer/songwriter/guitarist who appears throughout England and the United States. His extensive repertoire is ever changing as he incorporates his latest original songs in live performances. His compilations include newly released CD "A Different Place, A Different Time," earlier CD "The Fishermen of Fleetwood," television theme music, computer software background music and popular songs recorded by Irish showbands and the English group, Country Pie. "Fishermen of Fleetwood" Fishermen of Fleetwood is a nostalgia-filled album of growing up on the Northwest coast of England. Set in a time when the fishing industry was still a major source of employment, these songs are tributes to the lives lived and lost.
