The Ministry My Ministry is to reach the unsaved,help restore the saved and to let everyone know what the Lord has done for me. When I was born I was born with a kidney disease. This disease causes a person to swell with over 100 pounds of fluid. When I was 14, I was attacked with the disease and I came out of that about to die at the age of 14. Well, I just got over another attack and it caused my lung to die, I was swollen with 100 pounds of fluid, Cholestrol of 800, high blood pressure, blood clots, kidneys stop functioning. I went to doctor 7 mos ago and my lung is back working and it not coroded. I had a oder because my lung was coroded. I was supposed to vomit it out , but God saw that it wasn't time for me to leave and I prayed to give me my health back and he did. The doctors gave me up to die and I was in the hospital for months. They stated that I would not be able to sing again I was given up to die. Well I am healed I am able to sing, and I am not filled up with over 100 pounds of fluid. My ministry is to let all of Gods children know that he is still in the healing business and

that he's still on the Throne. I am a witness he gave me another chance and I want the world to know I'm able to sing again in spite of what the Doctors said. I give all glory to The Lord in Jesus name. If you need me to sing or testify, please email me call me and let me know at [vocalist45@hotmail.com](mailto:vocalist45@hotmail.com). I actually died and saw my body laying on the bed. I cried out to Jesus and he restored me. I'm a willing vessel to get the Word out.
