Adult contemporary / Easy listening 10 MP3 Songs EASY LISTENING: Crooners/Vocals, CLASSICAL: Contemporary Details: I was born and raised in Trenton, MO, a small town of several thousand (I think the cows match the people in population). I have been involved in music all of my life (singing / composing / arranging), and am a choir director at Westly United Methodist Church located in Trenton. I am also involved in computers in a big way. I am the Cataloger / System/Network Administrator at the Grundy County Jewett Norris Library. I got involved in computers while attending Missouri Western State University (it was a "college" when I attended) for a BA in Music (vocal performance). I love music and technology and I love my jobs. I am currently taking private voice lessons (...yep, I'm a tenor) from David Benz, (lyric baritone) a voice teacher at MWSU. My past teachers have included Clay Dawson, Jeff Nolte, Stephen Loss, Lynn Goodman, and Frank Thomas. My hope is that I can get more involved in performing and maybe make a little money on the side. Hey...that's me in a nutshell.
