Teran A. Price also known as Terry Price from Los Angeles California was born to the parents of Hal and Joyce Price from Fort Worth, Texas. Terry Price always has the desire to direct people and always has the passion for music. About the early 1990's, Terry and his brother Shawn Price performed as a local rap group called "Little Mc's", who always loved to battle any one from different areas. Today, Terry has traveled and performed at different events in Fort Worth as well as in Duncanville, Texas. Terry has opened for such artists as Doonie presents Holy Boyz album released party, and at a Detrick Hadden concert. Back in 1999, Terry felt led by the Holy Ghost to win back the youth from the streets through gospel music. Not only the streets, but to show youth there's a better way than what the world is doing. His daily inspiration is to pray, read, and to write music. Terry currently ministers at Mariner Health of Fort Worth to the resident's which has been ongoing for about four years. He will continue until the return of Jesus Christ. Terry has allowed God to use him in every form and fashion, not to please man but to do the works of Jesus Christ who has chosen Terry to preach, teach, and to reproof the ministry.
