12 Jamming tracks displaying the group's talent love for Ska, Reggae, Rock-Steady and Dub music and sprinkled with hammond organ, an array of horns and extremely soulful lyrics. 12 MP3 Songs WORLD: Reggae, ROCK: Ska Details: Spawning out of the depths of the recent Reggae/Soul rebirth , The Debonaires are more than a band. They are an eclectic movement of ENERGY and REBELIOUSNESS. An evolution has occurred since the collective of musicians came together in Riverside, California 1995! Built of a rough tuff rhythm section, blistering horn section, and the uncompromisingly unique vocalist, Kip Wirtzfeld. The Debonaires have respectfully shared the stage with reggae legends The Skatalites, Desmond Dekker, Laurel Aitken, Justin Hinds, Rico Rodriguez and the late beautiful Phyllis Dillon. To date, they have released three full-length albums, "Groovin' After Sundown" and "self titled" on Rivercidal Records. They appeared on numerous compilations and have finished two recent national tours. The Debonaires credit numerous influential players of past times and diverse genres: Miles Davis, Otis Redding, Curtis Mayfield, Mos DEF, Charlie Parker, Herbie Hancock, Jackie Mittoo, Marvin Gaye, The Upsetters, King Tubby, Ernest Ranglin, Steel Pulse, The Meters, Tommy McCook, Don Drummond, Ocean 11, Winston Wright, all other forms of rebel music out of respect and appreciation for such individuals, the Debonaires endeavor to produce music of quality and substance, true to its influential origins. THE DEBONAIRES DEBONAIRES RIVERCIDAL SYNDICATE The Debonaires bring the sounds of the Caribbean to your headphones with startling authenticity and strikingly superb musicianship, as this nine-piece band hailing from California's latest CD aptly showcase on DEBONAIRES. Containing 12 jamming tracks displaying the group's love for traditional island music and sprinkled with Hammond organ and an array of horns, songs like "Off and On Lovin'" and "Garcia Y Vega" are the perfect antidote to end a long winter's day, while the soulful delivery of tracks such as "From My Eyes" and "Left With a Broken

Heart" evoke the memories of Motown favorites in addition to the rhythms of dub and dancehall.

Performing the perfect music to plan a vacation from your mind by, The Debonaires portray the musical embodiment of the best island getaway you could imagine without leaving your stereo.
