

Mp3 Yellow Umbrella Studio - Paint

[DOWNLOAD HERE](#)

imaginative strange instrumental tracks partly with curious voices 9 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Industrial Details: You are curious about creative soundsculptures away from the mainstream? You are open for instrumental tracks with self-willed voices? Yellow Umbrella Studio are 'sound painters' from Sweden who present a most interesting mixture of rhythmic tracks and strange instrumental soundscapes partly with voices and vocals. It's the debut album of one of the most creative projects from Europe.
