Each one designed by an industry design leader, and hand crafted to perfection! Each template comes with: a) A .PSD file - you are free to change anything you like. b) An easy-to-edit .html/.css files - you can simply copy & past your sales copy. c) An easy-to-follow tutorial in PDF format! Here are the templates you will get: Template #1: Old Timey Grunge: This template is a stunning example of how creative old paper effects can be used to unravel a secret, or introduce a new tactic. An awesome textured background and nice flow will allow you to easily create a stunning sales presentation with this template! This showcases a popular "testimonial" headline, sometimes testimonials are that powerful! Template #2: Nicely Done: Simple, but nicely done! If you are ever in a rush to get something up and running this template will help you do so easily! It has a nice green tone and it's ready for you to go in and add your product image, and sales copy. The great thing about this template is that it will work for almost any product, service, or offer

in ANY niche! :) Template #3: Easy Blue: This template is perfect choice for you if you need something that is easy on the eyes but packs the punch you are looking for! It is designed to be fit the calming effects of blue, so you can be sure that your visitors will be happy to see your message! This is perfect for any self-development, "make money online" niche, or stock trading - in fact it can work for any niche really! Template #4: Cool Runnings: This is a bit more mature template than the others because it has the nice darker blues that scream professionalism. This is such a great template that can turn any project into an "okay" project to a "great!" project without effort... CoolRunnings has a nice subtle but sharp textured background that gives it the polished look that you're looking for! Template #5: Blue Print Style: Got a blueprint? A step-by-step ebook? Or a workable system that anyone can use? Well this template is perfect for you! The BluePrintStyle is perfected for any tutorial based product because it has the old time feel of the "drawing board". You can easily get across the idea of a workable system with this template! Template #6: Super Special: This is a simple but effective template designed for a hot red special deal... It showcases fun web 2.0 starbursts in the header and can be easily used for any project you are working on. The background has a nice repeating background that has that polished professionalism appeal! A true winner! Template #7: Hot Fire Sale: Firesales can be EXTREMELY profitable and this template is designed to showcase how hot your next firesale will be... The top banner has subtle flames and charred corners, just add your logo and flavor the template and your done! This is a personal favorite because of the flame effects. You can be sure your next firesale will be a stunning success! :) Template #8: Exclusive Style: This template is designed to be a bit more high-class, and "invite only" type design. Whenever your offering a limited service or bonus, you want to make sure people know that it's very prestigious and you can't do it any better than this template! :) With subtle effects and shimmering style this is the perfect template for your next project... Template #9: Water Web 2.0 Style: Inspired with the clean style of web 2.0 but also has the stunning underwater effect that will impress all your visitors and get them instantly involved in your marketing message! This is a perfect example of how you can have beautiful realism with subtle web 2.0 styles. This is perfect for any vacation offer, freedom theme, or anything related to the freedom - water is after the life of us all! :) Template #10: Notepad Style: This is the perfect template for any offer that needs that hand-written inspired design. Designed to fit any niche and it will allow you to achieve the much sought after note pad effect so that you can bring more believability to your offers. This is such a hot effect and design that we had to put it last because we know this will be a favorite among

many! BONUS#1: 21 Header Graphics Templates - FULLY Customizable! (PLR): This package contains 21 header templates in .PSD format and .JPEG format (blank), plus 21 sample templates in .JPEG format.
