Feral Lust L.A. Day Feral Lust is the sequel to Feral Domination, but may be read as a stand-alone novel. Leon's life is good. He's alpha male of his feline pack and females are plentiful. Then he meets Riza. The lupine female fascinates him. For once, he's found a female who holds his interest above all others. Riza is in heat and Leon is the focus of her lust. She can't resist him and surrenders her heart, but not her secret, to the dominant feline. Leon believes he betrayed Riza. Riza knows he would have. Can she trust him enough to offer her submission before the entire pack? Only by sharing Riza with two other males can Leon prove his love and commitment to his mate and her pack. Author: Day, L.A.
