

# Mp3 David Mclachlan - Can't Close A Blind Eye

[DOWNLOAD HERE](#)

"...all the raw emotions are there...songs with great storyline and structure...the production is excellent..." Ed King, Entertainment News, Santa Fe, TEXAS 12 MP3 Songs COUNTRY: Country Rock, COUNTRY: Country Folk Details: BIO David McLachlan has been writing and performing his songs for over thirty years. He got his start at Fiddler's Green doing a guest set on a night Stan Roger's was playing. He did several guest spots at Fiddler's, meeting songwriters like Adam Mitchell, Raffi, Stan Rogers and David Bradstreet. In the late eighties and mid-nineties, he released several singles to radio working with producers such as Rich Dodson, Graham Shaw, and Wendell Ferguson. David McLachlan's debut CD, "Can't Close A Blind Eye", was recorded in the summer of 2002, produced by Juno Award winner David Bradstreet. All twelve tracks from the CD have received airplay in Canada, Britain, Europe, Scandinavia, Australia , New Zealand and Japan. "It is always a pleasure to play music like yours. You know before you play it you will get a response from the listeners." Brian Amos, Producer, Eastern FM 98.1, Melbourne, Australia "...all the raw emotions are there...songs with great storyline and structure...the production is excellent...
