

Mp3 Denebulae - Sensory Perception

[DOWNLOAD HERE](#)

A carefully constructed tapestry dedicated to meditation and relaxation and all that is associated with inner peace and calm. It is in essence a beautifully hypnotic audio journey to eliminate stress and tension, whatever the situation. 8 MP3 Songs NEW AGE: Meditation, NEW AGE: New Age Details: Sensory Perception . . . composed and mastered in July 2004 by denebulae, one of the leading edge New Age artists in Holland and Europe; the CD was released in October 2004 and is now available through NMI in North America. It is the second in the Natural Balance concept series and is a carefully constructed tapestry of eight tracks dedicated to meditation and relaxation and all that is associated with inner peace and calm. It is in essence a beautifully hypnotic audio journey to eliminate stress and tension, whatever the situation. Eight tracks (Healing Resonance, Infinite Flow, Zo Zen, Baka Dharma, Orka Zone, Celestial Wind, Ankh Oor, Sensory Perception) of 55 minutes duration that features the following: enchanting electronic dreamscape, Celtic harp with flutes and seascape, ambient sitar drone over meditation electronics, Taoist ethereal chant, talking with whales , ethereal solar wind electronics, Tibetan bells and hypnotic piano, organesque dreamscape finale... all extremely relaxing and guaranteed to captivate the listener - this music is a masterpiece in its makeup. Selected extracts can be heard by also visiting our world website at denebulae.com Please also consider other NMI releases available through our website in Europe and CD baby: Natural Balance: the original concept album centred on awareness and growth; Zen Moon: chi grounding and connection. Sukhavati, our new spirituality album released in Spring 2005. We welcome both retail and wholesale inquiries for any or all 4 CDs and offer an unlimited satisfaction guarantee.
