Details: Notes about me and this CD: The central emphasis is to encourage people to live with passionate faith. The songs are anchored in the truths and themes of the Bible that have had a powerful impact in my own life. The melodies are strong and enjoyable. This CD includes some acoustic guitar piano, and is mainly worship band with acoustic, electric, synth types of orchestration. I hope you enjoy them. You may occasionally hear them on WVNH. Check this out ... Track # 3. No One Like You - upbeat acoustic guitar with electric accents. Maybe the best worship chorus on this CD. Track #4. Being With You - another strong worshipful song, maybe my favorite on the CD. Blues organ, balad with rhythm guitar. Simple, relaxing tone, peaceful, celebrating the great joy of God's presence. Track #7. In Time - could be my favorite. Creative intro (you'll have to listen to see what I mean). A thoughtful song about time/opportunity. Wonderful singing melody, memorable, nice electric solo over the last chorus. Track #9. It Was Me - reflective acoustic piano (it's actually a Yamaha keyboard!). Very worshipful, well received, great reflection on the cross, builds with some strings and soft brass, very moving song. A great communion song. Track #10. A Simple Prayer - fits well with #9, again a piano/keyboard song, simple - no other instruments. Fitting celebration and follow-up to reflection on the cross. Track #11. Thankful - an acoustic guitar instrumental with bass drums. Accompaniment trax lead sheets are available for some songs.
