

# Mp3 Funky Mustard - Traiga La Paz - Bring The Peace

[DOWNLOAD HERE](#)

South Texas Soul , R&B , Reggae , Zep Rock ... You name it, they are all here . This Reggae's got soul , got so much Texas Soul . Texas style melting pot Rock&Roll . These guy's are the "Brand New Enchilada" , from the Big Enchilada itself Houston Texas. 12 MP3 Songs ROCK: Americana, ROCK: Classic Rock Details: From the Biggest melting Pot in the South , comes the funky melting pot music of "Funky Mustard" . Houston Texas breeds em different , and these guy's are the perfect example of different . From musical style , to musical languages ... These guy's seem to be trying their best not to be classified in any category . Trust me , you will be hard pressed to put them in just one genre , if not 4 , or five . Born from the partnership formed by Kevin Crenshaw , and Larry White . Kevin on Drums , and Larry on lead vocals , and Guitar's . They are the byproduct of a couple, of different local Cover Bands from Houston. Both of their self-taught styles are evident in their playing . Never following any rules laid down before in Rock Music . When asked what category they should be placed in , Larry say's with a smile "It's all South Texas Rock to me Man " . With the unique solo effect of the Harmonica provided by Robert Taylor , their music is spun into an all new frontier . Robert's vocals also add a unique twist to their writing style. Gardner Headrick on bass , add's hard rockin' rhythms to every song . His method of attack , and sustain bring's the rhythm to a solid foundation. They consider themselves a Rock Band foremost , but don't be surprised if you hear some "Toot's the Maytals", or "Jaco Pastorious" seeping out of this rock solid Band. Recognized as one of the best new bands coming out of Texas. These guys really do bring a song to life , with several different mood's to pick from . Songs to wake up to like "Nine Mile", or that perfect driving home song like "Heysoos". Prepare to be taken to an all new music zone.
