As a distinctive and sincere NYC songstress and lyricist, Jess's work reveals a softness that draws you in. There is a certain simplicity that prevails through her steady strumming, breathy voice, and strong lyrics. 5 MP3 Songs POP: Folkly Pop, FOLK: Modern Folk Details: Jess Guerrette sings with pure delicacy. The least she can do to support her equally delicate songs. It's easy to assume Jess is just another singer/songwriter in today's saturated industry, but you would be wrong. The simple guitar strum makes for the perfect contrast to her simple but evocative lyrics, and one can only feel a sense of deep, personal attachment when listening to her tell a story. Jess grabs the listeners attention effortlessly the moment she sings her first words, much like her influences, to whom her style pays a gracious tribute. As broad as an early Bonnie Raitt to the more modern, darker, roots sound of Gillian Welch, Jess Guerrette brings music to a modest level where getting the emotion out is priority and all else falls into place.
