KALIKASH'S "GOVERNMENT RAISED" Get the real street life of living in the ghetto, women and children issues are deeper than gangstas. But sometimes we do what we gotta do. This music is for all GHETTOS AND HOODS. 14 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Alternative Hip Hop Details: Kalikash has been government raised since her adoption at the age of 3 months to seven years old. Kalikash life from the beginning was interrupted being involved around violence. Kalikash parents didn't just have a sexual encounter, the parents were married and shared 11 kids together. Kalikash's father served his country and became an alcoholic, while Kali's mother became a victim of domestic violence leading to mental illness. Kalikash returned to her natural parents after seven years. One more day late her mother would have lost her permanently. Kalikash's mother arrived, and Kali goes home, home a place of a single parent recovering from hell. By this time Kalikash discovered four of her sisters had gone to foster homes. This family was not close at all. They all grew up in different environments and surely had different attitudes. Foster Homes have broken up many children lives of their family connection and forced families to keep separate. Chances of siblings to become close with each other, NONE. The story continues, the life of welfare, pregnancies, abortions, rape, drugs, unwanted relationships and children. This all effect the lives of many individuals today. This Cd will share opinions, good times, bad times, high times and more. Every track has a different theme and a different style. Kalikash utilized as many music talented persons as possible to make this cd a success! But remember this is KALIKASH's first cd of it's kind but wait until you here the collaboration with my folks on the next chapter. This Cd has the sounds of hip/hop, easy listening, pop and rap within most of the songs. And then we come to a closing and sooth the moment with soft sounds from songstress Y.WYNN. You must listen to these tracks. Take your time and listen for yourself, you will enjoy at least three of these songs. Chow
