

## Mp3 Katina - The Good Shepherd

[DOWNLOAD HERE](#)

religious folk, contemporary gospel, soft rock 10 MP3 Songs GOSPEL: Contemporary Gospel, FOLK: like Joni Details: Stories put to music are Katina's way of using her beautiful gift of music. The stories inspire the listener and the music will make you weep. So get your Kleenex box ready! Real Gospel accounts put forth in a timeless folk style is what is offered on this CD. Everyone has a favorite story and one of her songs is bound to contain them. Even though the melodies are complex and some stories are longer than five minutes, even children of all ages love them. Unique songs about the early Christians who lived in the desert and the miracles of Christ from the gospel make a rich and amazing album. Whether for listening pleasure or for instructional purposes, this album guarantees a unique musical experience. The artwork is unique and from ancient sources. The lyrics are included. Enjoy!
