APG Forx Records Circulation from 2000 Copyright 2000 10 MP3 Songs HIP HOP/RAP: East Coast, URBAN/R&B: R&B Rap mix Details: Check out the Biolahmaker Sippah Album. This was the first one by Kwin MD. Kwin MD has evolved a lot since November 2000 when this came out. In the time when this CD was created, the rap game was completely different. This CD was recorded before Eminem came out with his first CD. His music changed the game. Before He came out, the lyrics that are on this CD were acceptable to say for white rappers. In the studio, everyone was cool with Kwin spittin what he was spittin. But now Kwin MD does not rap like this anymore. These lyrics were not made to offend anyone. This is a rare hip hop CD that took place in a time before Eminem came out. Now, there is only one copy available. Only one. So the old price of \$5 has been raised to \$17 because it's a collector's item... The Biolermaker Sipper Album is a Classic check that one out too.
