Mp3 Last Generation - 3

DOWNLOAD HERE

Funky, jamming, progressive, beautiful, guitar driven music inspired by Hendrix, Stravinsky and the angel Gabriel. 8 MP3 Songs ROCK: Progressive Rock, ROCK: Funk Rock Details: The composer/author of the music recorded on Last Generation's CD "3" claims to have received the ideas for these songs from the spirits of his familial and musical ancestors. This CD combines sonic threads from the looms of twentieth century masters like Hendrix, Stravinsky and Dylan Thomas into a new mix. You will want this music all over you.
