Female fronted folk outfit out of Minnesota de-constructs standard sounds and carefully crafts tunes using Ukulele, Accordion, Cello and other unique instrumentation. 10 MP3 Songs in this album (32:21) !

Related styles: FOLK: Folk-Jazz, POP: Twee Pop People who are interested in Mirah Jolie Holland should consider this download. Details: Lucy Michelle and her cohorts have quietly started snowballing one of the Twin Cities most diverse and rapidly growing fan bases. With a sound that combines dashes of old-fashioned country, folk, and polka with otherworldly tinges of Gypsy and flamenco, Michelles music appeals just as much to the NPR crowd as it does to those of the rock club persuasion.
