A fresh sound to traditional hymns 12 MP3 Songs GOSPEL: Traditional Gospel, GOSPEL: Country Gospel Details: "I heard Mark Biech's "At About Midnight" at a time of doubt and struggle in my life. The selection of hymns, simplicity of arrangement and purity of sound impressed me and opened me again to the love of Jesus Christ. I am sure this recording will bless many!" Diane Stevens Hearing a call from the Lord, Mark Biech has re-recorded a handful of songs from his traditional church-going youth in a fresh new way. They are launched from his passion for a return to the intense dedication to Christ that was present during the writing of these 19th century hymns. May these timeless melodies be a comforting companion and reverence-invoking joy for your personal devotion times. Mark Biech and his wife Coreen have been serving for many years on the mission field in Romania where this compilation was recorded. see hftn.ro
