Background Dark Ambient industrial atmosphere sound for use during Fetish play 9 MP3 Songs

ELECTRONIC: Industrial Details: One half of the duo VISCERA in the early 80s and a co-founder of the cassette-only music label Cause And Effect (1984-1989). She also is the mastermind of the industrial musical entity: Master/Slave Relationship which began in 1984. For more than twenty years she has self-produced a unique brand of industrial music. In that time she's released more than ten cassettes, one vinyl LP, five compact discs and one CD-ROM with no government grants or federal funds of any sort, thus maintaining TRUE independence of content and spirit. ABOUT "Music For A Sadomasochistic Scene": "This music is purposefully sparse. I intended for this CD to be thought of and played as background atmosphere during S/M play; it is music that merely lays the groundwork, lays the foundation. It is up to you to fill in the blanks: with the snap of a whip, the crackle of latex being slipped over a body, the sound of pain and ultimately, pleasure. S/M is still a difficult subject to approach. It seems, you either understand the concepts of control and consent, or you don't. It's not my job in this context to teach or educate. This CD is dedicated to those of you who do, indeed, understand."
