Never in my wildest dreams would I think I would write a song with Karl Perazzo and watch him lay down some of the tightest percussion sounds or be in the studio watching Reggie Hamilton lay down a bass line for my songs. Having the original lead trumpet of "Tower of Power" Mic Gillette, and the original sax player Skip was just a blessing. Thank you Tom Saviano for adding your amazing Sax on several trax . Victor Little tore it up on the bass with Curt Bisquera sitting in that deep pocket he creates on the drums, thank you. I needed that old school feel on the electric guitar for the "Baby Love" song and Cedric Dennis came in and did the job, thanks. A very special thanks to Paul Jackson Jr. there is such history in that name from every Jackson album to American Idol. Thank you to all the background singers Claytoven, Julissa Aguirre, Karl Perazzo, Randy

Emata and Tony Lindsay. Thank you to all that were involved in the development of this completed work of music. God Bless, Mikol The Artist
