Music for hip children because, frankly, kids gotta rock. 11 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Details: Music to our ears--Orlandos Mr. Richard is steering kids music on the high road...Orlando Sentinel ...very appealing melodies here played by a real band...Zoogobble Orlandos Kiddie King....Treasure Coast Palm, Vero Beach, FL Tummy Talk is the second collection of tunes from Mr Richard, who continues the quest for the syrup-free kids song. Again aided and abetted by Jimbo Mathus of Squirrel Nut Zippers/Buddy Guy fame, the album also features guitarist Brady Warren and multi-instrumentalist Matt McWhirter on such hot-button topics as skunk love, lost toes, and a dance pandemic. Stinkeroo!, an ode to olfactory assault, is preceded by Bobo Baby Jay, an under-dressed fledgling who needs scolding, while Milking It offers timely guidance for your youngster. If you like your childrens songs with no sugar added, put Mr Richards Tummy Talk on the turntable.

CAUTION: THIS ALBUM WILL CAUSE SPONTANEOUS DANCING!
