## Mp3 Nashville Underground Sampler Ii - Digital Distribution Only - Country: Modern Country

## **DOWNLOAD HERE**

The biggest hit songs you love performed by the songwriter themself. Nashville Underground is the home for hit singer-songwriters performing their version of the hit that made someone else a star. These are the intimate and truly captivating versions of 10 MP3 Songs COUNTRY: Modern Country, EASY LISTENING: Soft Rock Details: The second volume in the series, Sampler II - Digital Version includes original songs by Billy Dean, Stephen Allen Davis, Gary Nicholson, Marcus Hummon, and Hugh Prestwood. Nashville Underground was formed in 1999 to showcase the uniquely multi-talented hit songwriters who call Nashville home. While their songs have been among the most popular of our time, their incredible talents as singers, players, and producers have remained Nashvilles best-kept secret...until now. The NU Sampler Series features these artists original versions of some of the worlds favorite songs that show the true depth of their artistry.
