Lyrical melodies drive over beat-laden soundscapes. Fourteen nocturnal vignettes explore the relationship between behavior and electronic music. 14 MP3 Songs ELECTRONIC: Pop Crossover, POP: with Electronic Production Details: Philosophy: Life is an on-going psychological experiment. The resolution of each situation shapes your future behavior. Source: Having collaborated on past recording and remix projects, Greg and Tim conspire as Operant forging a new brand of lyrical electronica. Location: Operant Space, where samplers, synths and monitors glow blue. Greg and Tim conjure aural settings of abandoned airfields, after hour clubs and shadowy bedrooms. Concept: Exploring the relationship between behavior and music both lyrically and through production to influence perceptions. Project: fourteen nocturnal vignettes comprise Operant's debut release, Encoded. Future: Driving late-night, landmarks passing obscured, the unknown waiting just beyond the reach of the headlights...
