Mp3 Proem - You Shall Have Ever Been

DOWNLOAD HERE

This record is perhaps his most technically beautiful, as well as his most deeply personal yet. We think its because of sleep delirium, he says he has gone controller and automation crazy. 14 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Ambient Details: Richard Bailey (aka Proem), has brought out the big guns with his fifth full length album, 'You Shall Have Ever Been'. Hes been brooding, nitpicking and strategically thinking this record for over two near sleepless years. Youll find the usual Proem style stamped all over this 14 track masterpiece. He delves deeper into new areas expanding his already established sound palette. This record is perhaps his most technically beautiful, as well as his most deeply personal yet. We think its because of sleep delirium, he says he has gone controller and automation crazy. This double cd pack contains the full album and also a second bonus disc. A live set ripe with his industrial roots that was recorded at Decibel Festival in 2005, at the final Merck showcase.
