The best Horror-Punk-Rock-Opera-Rap Band in the World. 12 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, ROCK: Punk Details: I HEART ZOMBIES! Professor Mojo's long awaited Full Length CD is unlike anything you have ever heard before; but will leave you wanting MORE!! Pioneers in what is quickly becoming a popular genre of hybrid music; PROFESSOR MOJO combines Industrial-Metal, Horror-Punk, Rock-Opera and Underground-Rap into a unique blend of humorous, horrific and ultimately very catchy music. With an over the top stage show that matches the dark sense of humor prevalent in their music, Professor Mojo goes right up to the edge of decency and sanity before turning around 360 degrees with a wink and a nudge. Have played shows with Tech N9Ne, The Order Of The Fly, The Alchemist Element. and Toured the Midwest in Summer of 2005 with The Phunk Junkeez. Have a growing following in The Midwest and along the West Coast. Sounds Similar To: The Misfits, Mindless Self Indulgence, System Of A Down, Cage, Kool Kieth, Rob Zombie STEP INSIDE MY MOJO DOJO!!! The songs "I Spit On Your Grave" and both versions of "Shadow Language" are brand new version completely different from the versions found on the "Night Of The Un-dead Samurai EP" Check out this kick ass review: boulevardsentinel.com/11-2005.htm
