This 56-minute opus is centered around the oft-elusive art of genre-bridge-building. More to the point, it is the culmination of the efforts of a band of minstrels from eastern Pennsylvania to open a path of flight for drones caught in the feedback loop o 10 MP3 Songs JAZZ: Acid Jazz, ROCK: Instrumental Rock Details: Stereo Agency is a loose affiliation of musically-minded individuals whose sworn mission statement is to search out and gather intelligence on musical boundaries, then destroy the living hell out of them. No genre definition is safe from these ever-vigilant audio sentinels, who got their start in the Lehigh Valley bar scene.
