Yours Alone represents a year of effort by Mark Reynolds and CCM Legend, Jonathan David Brown, to produce a memorable listening experience that will bring tears to your eyes and raise the hair on your arms as the spirit of Our Father flows through YOU. 10 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Country Gospel Details: This CD is about the words to the songs. Are you feeling out of touch with God? Are you currently in a period of depression or darkness? Seriously...be honest with YOURSELF. After all, you can't fool HIM. This CD was specially produced with brothers and sisters who are hurting, backsliding or fighting with doubt in mind. That have lost hope, that are feeling that their walk is not worth it any more. Ever been there? Each one of these songs have been specially picked for those brothers and sisters that need to hear words that bless them and bring them closer to God. The word says that God inhabits the praises of his people. These are songs that minister His AMAZING grace, His UNMERITED mercy and His UNCONDITIONAL LOVE. Are you in NEED? Then these songs are for you. And actually, if we're going to be honest with ourselves, we are ALWAYS in need. However, I don't want you to think that if you aren't hurting that these songs aren't for you! They are for anyone who would like to listen to some very uplifting words and music in these troubled times. So many Christian people are walking around wounded in their hearts, minds and souls. I was given the desire to produce a CD that helps to heal with words of encouragement. A CD that would help lead you back to a walk with God that makes you feel that you are worth something and that life is worth living. A little over a year ago, (November 2005) I was where you, if you are hurting, are now. These are some of the songs that touched my heart and soul. They helped heal me and frankly if Father had not used them to do so, you wouldn't be hearing these versions at this time. I wish I could give this CD away to everyone who these songs bless, but unfortunately the cost of production doesn't allow me to do so. Neither do my four growing

boys! I just pray these songs will do the same for you... I will have to let the words and music of this CD speak for itself...BE BLESSED! And help return the blessing by supporting this ministry.
