At the young age of 4 Regina Londall became an heiress to a multimillion dollar fortune. Tragedy strikes suddenly at the age of twenty and Regina retreats to the family summer home in the Caribbean to find solace. She happens upon a heartbreaking reality, which changes her view of love for the rest of her life. The sudden shock of her revelation snaps her out her stupor of self-pity and she discovers in her absence the family empire is crumbling and under attack. She sets out to save the dying company and make it number one in the entire world. In order to see her dream fulfilled she needed power; political power. She had a clear cut plan of how to get it and where. After years of setups, payoffs and business savvy manipulation, Regina Londall successfully sits on a throne of power. She is Queen of the business world, President and sole owner of Londall Enterprises; a multibillion dollar empire and Ambassador of Foreign Affairs for the United States of America. She holds in the palms of her hands an array of subjects; the mayor of Chicago and its Aldermen, Senators and the President of the United States of America. However, her highness is abdicated from her throne of power and her kingdom is overthrown when her subjects rebel. With her reign of terror over; Regina stands charged of treason against the United States of America. She swears it's a setup despite the compelling evidence stacked against her. Now a jury of her peers will determine her fate. Will the power behind the Londall family empire be enough to save her highness? Author: Hazel-Frye, Virginia L.
