Did Red Riding Hood get the story wrong when she said her grandmother had been eaten by a wolf? When Nicholas Wolfe surprises Elise at her lonely house in the forest, she decides to use him for sex like he did with her before he left years ago. They didn't want the same things from life back then, but Wolfe is back to convince Elise to give him another chance. TO MY READERS: I had a lot of fun writing this twist on an old fairy tale. You'll never look at Red Riding Hood's grandmother and the wolf in the same way again. Enjoy! ABOUT THE AUTHOR: Natasha Moore fell in love with the written word as soon as she could read. As she grew up, she discovered romance and now enjoys the chance to add some extra sizzle to her stories. She lives in New York State with her real life hero who is happy to tell everyone that he's her inspiration. They travel in their RV whenever possible. The great thing about writing is she can take it anywhere. Author: MOORE, NATASHA Publisher: RED SAGE PUBLISHING, INC.
