Digital Farm Description Digital Farm is the previous, vibrant blog design of Mark Forresters personal site was well received and showcased in many CSS galleries so boasts a solid track record. Bundled with a fully customizable header space, optional sidebar slider and a dedicated portfolio page, together with some minimal corporate alternate styles this theme caters for a wide market. Unique Features A completely customizable header region with theme options to upload your own background header graphic and logo image. A tag based, optional sidebar slider to showcase your portfolio or any collection of posts/imagery A page template dedicated to showcasing all your older, archived posts for the sidebar slider above Complete control over excerpt vs content being displayed in the home pages blog posts, and archived posts 4 custom woo widgets and two widgetized sidebar regions for full control over your sidebar display 7 delicious alternate colour schemes to choose from, with two minimal, corporate designs for a completely different look and feel. Standard WooThemes Features Backend Theme Options Making simple changes without editing code, like adding your own logo, changing to an alternate colour style, adding Google Analytics code, couldnt be easier with our WordPress backend theme options panel. Cross-browser compatible Weve tested our themes to ensure they are compatible with all the popular

web browsers like Firefox, Safari, Internet Explorer 8, 7 and even the not so popular 6! They should also all be web standards compliant. Auto-sizing thumbnails An image resizer script built into the Woo framework automatically scales your post images for pixel perfect display in our templates. No need to upload new cropped images when re-designing your website. Localized for translations WooThemes come packaged with a .po file for easy WordPress theme translations into your desired language editing one neat little file without hunting down text in all our theme templates. Woo Framework All our themes are built on the same stable WooThemes framework modifications are a breeze, whilst all is neatly coded for search engine readiness and further theme development. Custom page templates Our themes come packaged with a full width page template without the sidebar, and sitemap/archives page templates for efficient quick links to all the hidden posts you wrote ages ago that still deserve to be seen.
