Bonded by Need Nina Pierce Shifting Bonds, Book One Veterinarian Jayda Kynslan recently moved to Montana. The mountains hold many secrets but none as mysterious as hers. She's just discovered she's a polymorphic shifter-wolf, cougar, human. Jayda's not sure who she is-or what her heart and body need. Recently promised to Cole Takoda, the head of the wolf council, Jayda wants to believe their bond will fulfill her every need. But there's no denying her cougar growls for a mate of its own. Leader of the cougar council, Zane Brodan has no desire to get involved in a romantic relationship. Tangling with a shifter already promised to another is a bad idea-except when it's a luscious polymorphic shifter doing the tempting. Cole believes Jayda is his lifemate. Zane can't resist her seductions. It seems someone wants to ruin all their plans. As the temperature and body count rise, so does Jayda's need to possess both men-wolf and cougar-and her needs refuse to be denied.
