

# Bright Fire - Maya Hess

[DOWNLOAD HERE](#)

An erotic time-slip novel... Jenna Bright's light aircraft crash lands en-route to Scotland, hurtling her out of her hectic modern life as a courier pilot and back in time over two thousand years. Leaving behind her fianc Mick, who's more interested in bedding Jenna's friends than planning his wedding, Jenna faces iron-age Britain and is revered as a goddess by the Celtic villagers she encounters. Having no choice but to adapt while trying to find a way home, Jenna encounters mystery, magic and a sexual hunger equalled only by the powerful urge to survive. Caught in an erotic tangle between Brogan and Cathan, two of the village's most powerful men, Jenna finally glimpses a way home but, having never felt so sexually free and adored by so many, she's not sure she's quite ready to go back to her old life. Set in the present day and 300BC, Bright Fire literally combines the best of both worlds providing a primal yet fast-paced and erotic read where strong characters collide
