Marked is a powerful testimony and principle that will lead you into a deeper understanding, and build your faith, to see nations come into alignment with the heart of God. The content of each chapter has come from experience, prayer, prophetic revelation and study that the author did as she eagerly sought the heart of God for how to effectively influence her nation for Christ. In recent years many in the Body of Christ have written of the need for western-world Church to penetrate into the spheres of influence that shape the moral mindset of nations. However, fewer have married this with clear biblical principles birthed through prophetic revelation, and, even fewer than that have a testimony to back it up. Marked brings all of these elements together in an easy, exciting and spunky testimonial style read that will keep your fingers flipping the pages.
